

Licensed BC Advanced Care Paramedics (ACP)

******IMMEDIATE & MULTIPLE opportunities throughout BC!***

Iridia Medical is a leading provider of paramedic services in remote industrial sites in the oil & gas, utilities, and mining industries and other industrial settings. We also specialize in AED (Automatic External Defibrillator) programs; health care consulting in a wide range of areas and provide medical education programs to industry professionals. We are committed to providing high quality services to our clients so that we are THE recognized name when it comes to medical health services in Canada. As a leader in the marketplace, we have the opportunity to work on exciting projects with a dynamic and diverse team of staff and consultants. We've been named one of Canada's Fastest Growing companies four years running.

Position Summary

Our paramedics primarily work in resource exploration industry or other industrial work environments in remote camps and or other high risk workplaces. Your health and safety is our priority. While maintaining a safe workplace for our people, we also provide support for them so they are connected online with our team of physicians who assist them in delivering medical and emergency care to all workers in the camps.

You will have the opportunity to grow your clinical skills by having 24/7 access to physician feedback and support. If you like the idea of expanding your skill set, providing a valuable and potentially life-saving service to our valuable clients in various work environments, and growing your leadership skills, we look forward to hearing from you!

Are we the right fit for you?

Our paramedics are team players who:

- are comfortable working in remote or isolated environments
- are willing to go above and beyond for our clients
- have excellent communication skills and are interested in learning and growing
- understand the dynamics of public service versus private sector business

Paramedics who apply must meet the following requirements:

- Hold a valid EMALB ACP license in British Columbia
- Current ACLS certificate
- Paramedic In Industry certificate
- Petroleum Safety Ticket (PST) and WHMIS certificate an asset
- Pass a pre-access drug and alcohol test
- Be fully vaccinated
