

YOUR APPROVED AED SUPPLIER

We're Proud to Be a Pre-Qualified Supplier Under the **Government of Canada's** National Master Standing Offer (NMSO) for AEDs.

#E60PV-23AEDS RSO

What Is the Government of Canada NMSO?

The **NMSO - E60PV-23AEDS RSO** is a pre-approved federal contract that makes it easy and efficient for government organizations to purchase AEDs and accessories.

Managed by Public Services and Procurement Canada, this offer ensures:

- ✓ Top-rated AEDs
- ✓ Trusted, vetted vendors
- ✓ Competitive pricing
- ✓ No lengthy RFP process

Why Iridia?

Iridia Medical was selected as a trusted supplier due to our:

- ✓ Proven expertise implementing AED programs nationwide
- ✓ Partnerships with leading AED manufacturers
- ✓ End-to-end service model
- ✓ Competitive pricing & support

Who Can Use This Offer?

Eligible buyers include federal agencies and MASH-sector organizations (e.g. hospitals, municipalities, and schools) enrolled in the Canadian Collaborative Procurement Initiative (CCPI).
